“非常高兴我们的儿子 (Freeman) 参加了瑞麒国际体育在加拿大Ridley College举办的首届校园冰球夏令营。虽然在夏令营之前我们曾有一些顾虑 (没有父母随行), 但这次营地活动在瑞麒国际团队专业且周到的支持下, Freeman收获了一段难忘的游学经历。”

先是Ridley学校的宽阔校园和完备设施给孩子留下了深刻的印象(如校园里的室内冰场), 更为难得的是他在经验丰富的加拿大教练团队的带领下提高了冰球球技。作为年纪较大的营员之一, 他为每天能与来自安大略省当地的AAA级冰球少年切磋技艺而感到高兴和兴奋。通过两周的夏令营活动, 他的自信心和英语水平有了明显提高, 还在冰场和校园里结识了不少新的友谊。

我们向大家推荐这个夏令营, 因为它不仅让我的孩子接受到加拿大顶级冰球教练的指点, 还有机会体验了北美顶级寄宿学校的校园生活并参与了非冰球项目的校内交流活动。”

“It was a pleasure for our son Freeman to join SinoSport's first hockey camp in Canada hosted at Ridley College. Although we had some concerns prior to the camp, SinoSport's professional team was very supportive and created an incredible experience for Freeman.

Freeman was impressed by the size and facilities at the school (including on-campus rink), and accelerated his hockey development under the leadership of Ridley's top Canadian coaches. As one of the older campers, Freeman was challenged by the local AAA calibre students from Ontario and enjoyed playing hockey everyday with Canadians. His confidence and English language continued to improve throughout the camp, along with friendships on and off the ice.

We recommend this camp as an opportunity to experience campus life at a top boarding school and local activities, all while playing hockey with some of the best coaches in Canada!”

自从2017年孩子在北京参加过瑞麒国际体育举办的首次冰球训练营以来, Ridley College的冰球教练和瑞麒国际就给我们留下了十分深刻的印象。我们的儿子 Daniel 痴迷于Ridley学校 McCourt 教练在冰上表现出的激情和专业技巧, 在教练的悉心指导下球感显著提高, 进攻也变得更犀利了。

2018年的Ridley冰球夏令营有国内和加拿大当地的营员参加。虽然我儿子的年龄在营员中偏小, 但也因此获得了哥哥们的更多照顾, 还在两周的训练里变得懂事儿了不少。瑞麒国际的员工甚至还帮我们在一家当地的体育用品店升级了冰球装备。回国后, 我儿子更加热爱冰球了, 各方面能力有显著提升, 有幸入选北京市冰球队并参加了2018年全国青少年冰球锦标赛, 与队友一起顽强拼搏、勇夺U10组冠军。

我们向所有想要体验正宗加拿大校园冰球的国内家庭推荐这个夏令营, 此外孩子们还将有机会沉浸在Ridley这个美丽如画的校园里并游览当地的几处风景名胜。”

“We have been very impressed by the Ridley College hockey program and SinoSports since the first hockey camp we joined in Beijing. Our son Daniel is inspired by Ridley Coach McCourt's passion and expertise on the ice, and has improved as a player with his coaching.

The 2018 Ridley summer hockey camp was a combination of foreign and local players. Although Daniel was one of the younger campers, everybody was very welcoming and he showed increased maturity throughout the camp. The SinoSports staff was even nice enough to help upgrade Daniel's hockey equipment at a local sports store.

After returning to China, my son loved ice hockey even more and improved his ability in all aspects. He was lucky enough to be selected for the Beijing Ice Hockey Team and participated in the 2018 National Youth Ice Hockey Championship. He battled with his teammates and won the U10 championship.

We recommend this camp for any Chinese families looking for an authentic Canadian hockey training experience, immersed on a beautiful campus with lots of local attractions.”
